Class Schedules and Information

Typically, children 3 years of age by September enroll in our multi-age class and 4 years of age by September enroll in the Year before Kindergarten class. Enrollment exceptions do apply to children with birthdays between September – December. Please contact the Director if you have questions on class placement.

Children must be 2 years old to enroll in our 2's class, Children younger than 2 years on September 1, 2024 will be placed on the waiting list for enrollment, *if available*, at their second birthday. Otherwise, your child's enrollment can be secured in the 2's class by paying tuition through and until their 2nd birthday when they are eligible to attend.

All classes are offered 5 days/week, Monday through Friday, with 1, 2, 3, 4, or 5 day enrollment options. The 2's and 3's classes begin at 9am and the 4's class begins at 8:45am. All classes end at noon or children can attend our extended day program.

Summer school programs are offered in June, July and August with a separate enrollment process.

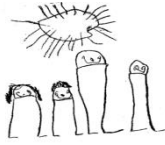

Class Availability

Class size is limited for each class in the program. Class placement will be made on a first come, first serve basis. Registration for in-house families begins a week prior to new families in order to best meet the requests of families currently in the program.

Please contact me if you have any questions.
